- Initiative and ability to work independently
- Ability to create simple cartographic illustrations (maps of Poland) will be an advantage.

**Task description:**

- Analysis of quantitative data on mortality and comorbidity during the COVID-19 epidemic in Poland
- Conducting a literature review on the methods of COVID-19 mortality data analysis
- Cooperation in the preparation of joint publications in leading scientific journals
- Active participation in international cooperation
- Support for the project leader in other research tasks.

**Project description :**

The recruited research assistant will work in Dr. Agnieszka Fihel's project "Comorbidities and mortality during the COVID-19 epidemic.

The research project aims to determine the profile of COVID-19 deaths in Poland and to estimate the statistical association between individual comorbidities or pathological conditions (e.g., obesity) and COVID-19 mortality. The study takes into account the demographic and territorial variation of the multi-disease and mortality phenomenon. An important component of the study is the evaluation of the quality of cause-of-death data in Poland using methods developed in earlier work.

We offer:

- the possibility of developing scientific interests
- work in a team of young researchers under the supervision of Dr. A. Fihel
- the possibility of co-creating scientific publications
- the opportunity to establish contacts with foreign researchers and research centers

**Required documents:**

- CV with a list of publications (up to 2 pages)
- description of scientific interests and research to date, with particular emphasis on the methods used (up to 2 pages)
- signed agreement (scan) for the processing of personal data by the University of Warsaw, which is attached to this call.

**Application deadline:** 21.10.2022 r., 23:59

Please submit the documents: via email to: [konkursy.obm@uw.edu.pl](mailto:konkursy.obm@uw.edu.pl) with the subject line: **OBM-NA-RW-1/2022**.

**Conditions of employment:**

Type of employment: Additional remuneration for an employee of the University of Warsaw

Working pattern : 0,3 FTE (app. 12 hours per week)

Salary: Gross 2,000 PLN

Estimated starting date: November 2022

Minimum period of employment: 8 months

## Information on personal data processing

### Controller

The controller of your personal data, which is processed in connection with employee recruitment, is the University of Warsaw, ul. Krakowskie Przedmieście 26/28, 00-927 Warszawa, as the Employer.

Contact with the controller:

- by traditional mail at: University of Warsaw, ul. Krakowskie Przedmieście 26/28, 00-927 Warszawa (specify the organisational unit to which your letter is addressed);
- by phone: **22 55 20 355**.

### Data Protection Officer (DPO)

The controller has a designated Data Protection Officer, whom you may contact via email at [iod@adm.uw.edu.pl](mailto:iod@adm.uw.edu.pl). You may contact the DPO about all matters relating to the processing of your personal data by the University of Warsaw and in order to exercise your rights in relation to the processing of personal data.

The DPO, however, does not perform other functions, such as handling recruitment procedures, collecting recruitment documents, or providing current information on the recruitment process.

### Purpose and legal grounds of data processing

The personal data of candidates for employment shall be processed for recruitment purposes only.

Your personal data shall be processed in the scope indicated by employment law<sup>1</sup> (*given name (names) and family name, date of birth, contact information as provided, education, professional qualifications, previous employment*) for the purposes of this recruitment process<sup>2</sup>, whereas other data<sup>3</sup> shall be processed based upon your consent, which may take the following wording:

*I agree to the processing of my personal data provided in .... (e.g., CV, cover letter, and other documents submitted) for the recruitment process conducted by the University of Warsaw.*

If your documents include data as included in Art. 9 section 1 of the GDPR (special categories of personal data), processing shall be possible upon your consent to processing such data<sup>4</sup>, which may take the following wording:

*I agree to the processing of special categories of my personal data, as stated in Art. 9 section 1 of the GDPR, provided in ..... (e.g., CV, cover letter, and other submitted documents) by the University of Warsaw for conducting the recruitment process.*

The University of Warsaw will also process your personal data in future recruitment processes upon your consent<sup>5</sup>, which may take the following wording:

<sup>1</sup> Art. 22<sup>1</sup> of the law of June 26, 1974 Labour Code (i.e. Journal of Laws 2019 item 1040 with subsequent changes).

<sup>2</sup> Art. 6 section 1 letter b of the Regulation of the European Parliament and the Council (EU) 2016/679 of April 27, 2016 on protection of individual persons with regard to personal data processing and on the free flow of such data, and also repealing Directive 95/46/EC (general regulation on data protection) (Official Journal EU L 119 of 04.05.2016, page 1, with subsequent changes) (hereinafter referred to as the GDPR).

<sup>3</sup> Art. 6 section 1 letter a of the GDPR.

<sup>4</sup> Art. 9 section 2 letter a GDPR.

<sup>5</sup> Art. 6 section 1 letter a GDPR.

*I consent to the processing of my personal data for the purposes of any future recruitment processes at the University of Warsaw, for the period of the next nine months.*

You may revoke all such consents at any time, for example by sending an email to: [konkursy.obm@uw.edu.pl](mailto:konkursy.obm@uw.edu.pl)

Be advised that the revocation of your consent does not affect the lawfulness of the processing of personal data, which had been completed upon consent and before its revocation.<sup>6</sup>

### **Data retention period**

Your personal data collected in this recruitment process shall be stored within the period of up to 5 years from the planned completion of the “Excellence Initiative – Research University” Programme, i.e. until 31.12.2031.

In case you agree to process your data in future recruitments, your data will be used for this purpose for a period of 9 months from the end of recruitment.

### **Data recipients**

Officers authorized by the Controller shall have access to your personal data, the processing of which is within the scope of their duties.

### **Data transfer outside the European Economic Area (EEA)**

Your personal data shall be disclosed to subjects authorized by law. Your personal data may be also processed by the provider of the G-Suite services for education by the Google Corporation in their data processing centres.<sup>7</sup>

### **Rights of the data subject**

Under the GDPR, data subjects have the following rights:

- to access data and to receive copies of the current data;
- to correct (rectify) your personal data;
- to limit processing of personal data;
- to remove personal data, subject to provisions of Art. 17 section 3 of the GDPR;
- to file a claim with the President of the Personal Data Protection Office, if you believe data processing is in violation of the law.

### **Information on the requirement to provide data**

Providing your personal data in the scope resulting from law is necessary to participate in the recruitment process. Providing other personal data is voluntary.
